## January 2020

THE PRESBYTERIAN CHURCH IN WESTFIELD'S MONTHLY NEWSLETTER

### Today was a good day...

This morning I had the privilege to open three pieces of mail moments after arriving at the church.

The first was from a foundation that helps us fund our Agape ministry. With it was a check and all the perfunctory financial information about acknowledgment and the like. But it made me so proud of this church. Can you believe that the year 2020 marks 20 years of our Agape ministry? For 20 years our youth have organized a weekly ministry to our most vulnerable neighbors; more than that, this mission of ours has become an important way for adult members to mentor and support our youth and deepen their own engagement with the church and local community. This letter was more than an exchange of financial support. It is a marker of the impact we have as a church that continues to be recognized by long-term partners.

The second was from the Presbytery of Elizabeth with information about the upcoming year and our per capita apportionment (no the amount did not decrease; yes, it was a good letter). Here's why. We are a leading congregation for our presbytery. If we think in terms of hierarchy then our per capita is a payment to fund the next level up of leadership, but that is not how I see the relationship. The presbytery is not a central office; it is, rather, the whole of all the churches in our area and represents the relationships we have to one another. In this protracted time of change in the church, we represent the stabilizing force of supportive leadership.

The third letter was from Princeton Theological Seminary. We have created or supported two major scholarship funds at the seminary that continue to make theological education possible for students. The letters themselves were statements that showed the school is being a good steward of the resources. What made me smile was the stack of handwritten notes from students describing the impact these scholarships have had on their lives.

Later today I will sit with a group of leaders who collectively represent all the different groups of our church. We have been working and praying together to consider the best way to build our professional staff here at the church. What impresses me so much about this group is their ability to listen deeply to what this congregation has said it needs from the Mission Study and other "official" channels, but also in conversations at small groups, the choir, and Presbyterian Women circles. Our work is not done, and we have much more to communicate, but it is humbling to be in the presence of such leaders who seek to represent the people of this church while also listening deeply to the new thing God is up to in our midst.

Like I said, today was a good day, and as I reflect on one of the final days of 2019, I can tell 2020 will be a very Happy New Year.

## **NEW STUDY FOR ADULTS**

Beginning January 19<sup>th</sup> there is a new 8-week adult educational series, “**Winter Prayer**” available for you! It is designed to help you find “the winter voice of prayer”. This program is a collaboration with Professor MiGliore of Princeton Theological Seminary. Prof. MiGliore helped design the program and will be involved in the series.

Sessions will be conducted using a “small-group” format with 3 different dates and times:

*Sunday after church from 11:30-1pm with a light lunch*

*Tuesdays at 3-4:30pm*

*Monday nights at 7:30-9pm*

There will be some reading and reflection, but background in bible studies or church doctrines is not required. Our reference materials will be “A Grief Observed” by C.S. Lewis, “Lament for a Son” by Nicolas Wolterstorff, and “Rachel’s Cry” by Prof. MiGliore. Several copies of the required reading will be available from our church library. Purchase of books can also be made from your local bookstore or from on-line sources.

This program will provide an opportunity to engage with others from around the church, to learn to pray together, and to lean-into the potential need of prayer as either you or others around you cope with change and sorrow. In addition, you get the opportunity of being at the start of what we hope will become a partnership full of new potential.

The following are some important dates and context for “Winter Prayer”:

- **January 19<sup>th</sup>**: Professor MiGliore will participate in worship and then convene in the Christian Lounge (1<sup>st</sup> floor of the Parish House) for a light lunch and a discussion of *A Grief Observed* and *Lament for a Son*.
- **Week of February 2<sup>nd</sup>** - We will read and discuss “*Rachel’s Cry*”— chapters 1 and 2
- **February 16<sup>th</sup>**: Professor MiGliore will again participate in worship and conduct a bible study starting at 11:30 in the Christian Lounge (light lunch will be provided). Bible readings will be shared prior to the session.
- **Weeks of March 1, 15 and 29<sup>th</sup>** – We will discuss the remainder of *Rachel’s Cry*.
- **April 12<sup>th</sup>**: we will have a luncheon meeting with Professor MiGliore for a discussion and wrap-up to this program. This will be held at the Nassau Club in Princeton, NJ. (Carpooling and transpiration will be coordinated).

All are welcome! Look for more information on weekly e-blasts, [www.westfield.pc.org](http://www.westfield.pc.org), and announcements during worship. For more information, please contact Lisa Black, [lmb.blacklaw@gmail.com](mailto:lmb.blacklaw@gmail.com) or Alan Smith, [Alandsmith518@gmail.com](mailto:Alandsmith518@gmail.com).

## Director of Youth Ministry Update

The DYM Search Committee lost an integral member with the passing of Ken May last month. He has left a void in our group, but we will continue to review resumes and interview candidates.

We interviewed two potentially strong candidates before Thanksgiving, but for different reasons neither came to fruition.

We continue to work with the Organizational Task Force to determine the best structural staffing model to carry out the mission of offering our youth a space and a voice in our church.

## Calling All Sophomore College Students and Older

If you enjoyed going on the mission trips and summer outings as a youth, it is even better as the Youth Ministry Intern. The Intern shares God's love with the youth by building relationships with them, serving as a resource and support person, and infusing each program with playfulness, creativity and enthusiasm.

Work will begin in May of 2020, and will include the high school and middle school mission trips and Agape every Wednesday. Applications are available on the PCW website. The application deadline is March 31, 2020.

## 25 Days of Agape

Thank you to everyone who gave to Agape Community Kitchen during the 25 Days of Agape. When you give to Agape you are supporting a ministry that weekly provides a nutritious meal to our food-insecure neighbors in Elizabeth. This ministry satisfies the human need for food, community, and love and simultaneously fosters a generation of thoughtful, generous leaders in our youth. As we enter the 20th year of Agape, we reflect with gratitude on your commitment to this ministry of love. Thank you!

- **Theology Discussion Group**

It has been a great year for the group as we read and discussed several excellent books starting with Strength in Love and Why Religion. We concluded the last one (Christ of the Celts) December 16, with a splash and some cookies and cheese. The book was very well received and thought of. For those who weren't part of this discussion series, we encourage you to consider reading the book.

For our next sessions, we will be joining Faith Formation in an effort to address a new PCW's Adult Education offering. (Please see page 2 for more details on the new study.)

I hope you will consider joining in on this offering. It should be a great opportunity to connect and reflect on some compelling content for your faith journey.

## **Westfield Historical Society**

As part of The Westfield Historical Society's First Wednesday Luncheon series, Joan Schaible will talk on the subject "Victorian Death & Mourning Traditions" for January 8, 2020. Much of the 19<sup>th</sup> century was known as the Victorian period as was so named during the 60-year reign of England's Queen Victoria. Indeed, her influence was evidenced in American death and mourning practices which may appear morbid or strange today. During this presentation, explore preparation of the home and deceased, taphophobia, post-mortem photography, the wake, funeral service, interment, park cemeteries, and grave stone symbolism. Even after the loved one had passed away, mourning could continue for years. The event will begin with check-in at 11:45 am at Ferraro's Restaurant (2<sup>nd</sup> Floor), 14 Elm Street, Westfield. Elevator access is available.

Those wishing to attend the luncheon may make a reservation by email to [westfieldhistoricalsociety@gmail.com](mailto:westfieldhistoricalsociety@gmail.com); or, by calling 908-654-1794, **before** Friday, January 3rd. Please advise if there are special dietary needs. The luncheon fee is \$35 for WHS members, and should be paid in advance. Make your check payable to Westfield Historical society. The Non member fee is \$40. Lunch includes a three-course meal, coffee/tea, and gratuity. Mail your payment and registration to Westfield Historical Society, P.O. Box 613, Westfield, NJ 07091; or go online, [www.westfieldhistoricalsociety.org/](http://www.westfieldhistoricalsociety.org/) registration. Payments should be received by Friday prior to the luncheon. Westfield Historical Society memberships will also be available at the luncheon.

Since 1968, the 501(c)(3) non-profit Westfield Historical Society has worked to preserve, interpret and encourage interest in history, in Westfield, and its residents through educational efforts and community outreach programs..
